

ABOUT NORTH HIGHLAND

UNLEASHING POTENTIAL TOGETHER™

North Highland is a global consulting firm with a twist. We bring big ideas and challenge the norm. Our mission is to empower clients, colleagues and communities to achieve aspirations while building lasting, caring relationships.

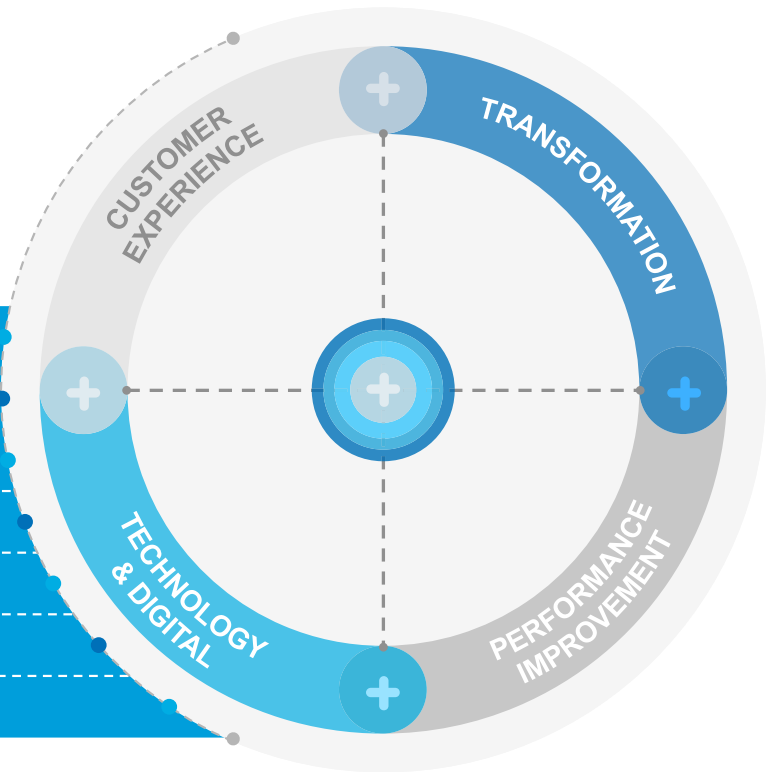

North Highland adds value across the full spectrum of consulting, from strategy through delivery.

OUR VALUE BASED APPROACH

We are known for helping clients solve their most complex challenges related to customer experience, transformation, performance improvement, and technology and digital.

North Highland's strengths reside in our depth of capabilities and delivering insights and industry expertise across these key areas of client need.

WORLDWIDE CONSULTING

WHO WE ARE

Success equals results, not just big ideas. We bring the big ideas, then make them real. North Highland maintains a strict focus on our clients, and their needs, at all times to help them quickly and effectively realize their goals.

We are and will continue to be a private employee-owned firm focused on doing what is right for our clients.

Expertise and knowledge of our clients in the cities where they reside.

We are focused on helping our clients achieve their strategies.

We apply this to our clients to ensure they are thrilled with our work.

HOW WE ADD VALUE

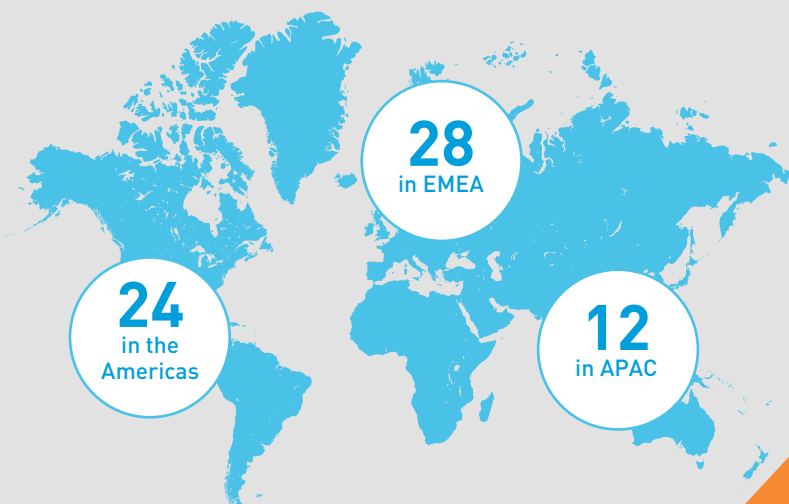

Outperforms Industry Peers

- Solves complex problems
- Successfully implements recommendations
- Provides clearly defined value
- Shapes thinking around key issues

* 2015 3rd party survey, conducted by Seymour Insights, of 612 decision makers related to the evaluation and hiring of management consulting firms.
